

iPad POS Stand

Ideal For Any iPad POS Application

The affordable SAM4S iPad stand is an adaptation of the standard SAM4S terminal base. It features heavy steel and cast aluminum construction, high-density foam blocks to protect and secure the iPad, a security lock to protect from theft, and neat cable management... Everything you would expect from a brand that leads the market in simple but elegant terminal design.

- Heavy-Duty Construction
- Sticky Feet Adds Stability
- Neat Cable Management
- Includes Lock and 2 Keys
- High-Density Foam Mounts Are Designed to Fit iPad 2/3/4
- Foam Mounts Can Be Modified to Accommodate Other Tablets

iPad Security Lock and Protective Foam Mounts
