BSM Names CRS Best Channel Vendor Again in 2013

St. Paul, MN – CRS, an independent importer and distributor of ECRs, POS Printers, Terminals and peripherals has been named by Business Solutions Magazine (BSM) as a Best Channel Vendor. For the fifth consecutive year CRS earned recognition in the POS Hardware category.

“We are honored to receive this independent, third-party endorsement” said CRS VP of Marketing, Bruce Mann. “Our first priority is to meet the needs of our channel resellers—by delivering high value products and profit-building programs.”

BSM partnered with Penn State University to complete the independent, Web-based survey. A total of 7,505 votes were cast, making this survey the largest of its kind. CRS ranked in the top 5% of the POS Hardware vendors listed, with high scores in “service/support”, “channel friendly” and “product features” categories. CRS has been recognized as a Best Channel Vendor every year since the inception of the Business Solutions Magazine survey in 2009.
